Purchasing from a local business helps sustain the local economy.

Using unbleached and recycled paper helps promote clean water and resource conservation.

SCA tissue products are 100% recycled. Post consumer content varies, but meets or exceeds EPA guidelines.

Seventh Generation tissue products exceed EPA standards for post consumer content.

Biokleen Cleaners are citrus and lemon or soy based, effective and environmentally benign.

Using bio-based compostable products reduces the use of fossil fuels, and creates an alternative to landfilling waste.

Prices include delivery. Delivery day is Monday in Homer, Tuesday on the rest of the Kenai Peninsula.

Pickup is available at 4854 Eagle Place, Homer. Please call first.

We stock a full line of all Seventh Generation products, and have ready access to all BioKleen products.
